- The screenshot shows the STN Patents search interface. At the top, there are buttons for 'Query', 'Print', 'Browse', 'Advanced', and 'Clear'. Below these is a search bar with the text 'US:PCPUB; USPAT; EPO; JPO; DERWENT; ISM; TDB'. To the right of the search bar, there is a 'P. Phrases' section with a checked box for 'Highlight all hit terms initially'. Below the search bar, there is a 'Default operator:' section with a dropdown menu showing 'OR'. The main search results area is a large white box with a black border, containing the handwritten text 'Dec. 2004' in the top left corner. The bottom of the interface shows a navigation bar with buttons for '19', '23', '25', and '27'.
